## University of Scouting Midway

One of the highlights of the University of Scouting is the Scouting Midway. Multiple vendors provide access to Scouting products, information on Scouting events and organizations, and information on exciting locations and activities for Scouts and Scout Units.

Our Midway includes vendors from all over Central Florida and beyond, including the Scout Shop which will be offering a variety of clothes, books, equipment, and special sale items. You can pick up a custom name tag created while you attend the event.

You will have an opportunity to learn about many of the area's locations, attractions, and stores available to add fun program elements to your Pack, Troop, or Crew program. You won't find a more convenient opportunity to build your Scouting experience. Our vendors are coming to meet you so plan some time to visit.

When you do, be sure to visit the Midway during registration in the morning (starting at 7:00 a.m.) and during your lunch period. The vendors in the Midway will begin departing around 2:30 p.m.

## Breakfast and Lunch

Our goal is to deliver good food to every participant in a timely manner, so that they may enjoy their lunch and have time to walk through our Scouting Midway. We have worked with our very own Tipisa Lodge to identify a solid plan for a greatly improved OA food experience.

Our lunch plan includes:

- Lunch time is split across two periods with Lunch A (Period 4) at 11:30 and Lunch B (Period 5) at 12:30
- Lunch is a sandwich, chips, cookie, and a drink (Box Lunch). Select your preferred sandwich (ham, turkey, vegetarian) when you register.

Breakfast Plan: Don't forget that our breakfast service includes donuts, juice, and coffee. The cost will be listed at the venue.

### Free Morning Coffee!

For those who require a little extra go juice in the early morning, rest assured that we will be serving free coffee to help you get your morning jolt.

## University of Scouting Cabinet Volunteers

Special recognition goes to this year's University of Scouting Cabinet. Without the tireless efforts of these volunteers, University of Scouting would not have been possible. When you see a cabinet member in their blue shirt, please thank them for their efforts.
