Debra's Career started simply at Walt Disney World as a tour guide and guest relations rep for EPCOT, while in college and after graduation. She also worked in customer relations and

human resources with First Federal Bank until starting her teaching career in 1986 at Osceola High School. Debra's Teaching and mentoring include OHS, St Cloud High School, and Poinciana High School. She served as principal at Poinciana High school and Harmony High School.

Next She would become Deputy Superintendent for Secondary Administration for the School District of Osceola County, and Associate Superintendent for Human Resources with Brevard Public Schools. Eventually her skills and talents would be called on to becoming the Superintendent for the School District of Osceola County on Leap Day, February 29, 2016. KEEPING YOU CONNECTED

Without them, we'd be sitting in the dark, freezing cold or unbearably hot. We wouldn't be able to charge our cell phones, make our morning coffee, use our computers or watch our favorite sporting event on TV. When we're safe in our homes amidst a big storm, they're braving the weather to do their work. And when there's an electrical emergency, they are the first responders who risk their own lives to keep us connected.
