One World Scouting

DIVERSITY AND INCLUSION LUNCHEON

SCOUTING SERVES MORE THAN 22,000 FAMILIES THROUGHOUT CENTRAL FLORIDA AND PROVIDES A LIFETIME OF BENEFITS.

Youth in our programs improve their academic performance, increase their self confidence and self-esteem, keep themselves physically fit, are given opportunities to serve their community, develop leadership skills, discipline, develop character, understand all cultural backgrounds, build their independence, and so much more!

Scouting is a movement where people can learn from one another and share life together across differences of race, color, ethnicity, nationality, or language. It's a highly successful program that teaches young people to become service leaders in their community while addressing societal issues –just as all of our honorees do in our community.
